AKABA

Our brand soul

ART, DESIGN & PEOPLE

Akaba has been a free- thinking project from the outset. We were born into a situation of cultural unrest that had its roots buried deep in a period of profound change. We saw the light with a perfectly defined profile combining the love for design and transgression.

The birth of our first iconic pieces was inspired by art, with a highly personal ingredient. From there we evolved with the design to improve their function and connect better with people.

Collaborative Spaces

Nous fabriquons des meubles pour les communautés, qui recherchent la rencontre sociale en commençant par l'individu. Nous créons des meubles pour des espaces à dimension humaine qui invitent les gens à parler, à se mettre en relation et à créer en équipe.

Ostoa

LOUNGE MODULES / DESIGN BY

*Ander
Lizaso*

Ostoa is a collection inspired by the natural and light beauty of a leaf. With charming and soft forms, the programme has been designed for soft-seating zones.

Thanks to its different sizes, materials and upholstery options, Ostoa offers the possibility of creating personalized surroundings. As it happens with the falling leaves in autumn, it allows designing harmonious combinations in an intuitive and unpremeditated way.

Lur

CHAIR / DESIGN BY

*Pensi
Design Studio*

Lur is a family of chairs characterized by its enveloping design of round and organic outlines. The polypropylene one-shell seat, as comfortable as versatile, is available in a new colour range.

The programme offers infinite configuration options thanks to the variety of fabrics and the upholstery alternatives (frontal, partial or complete upholstery), as well as a wide selection of bases, which makes Lur an especially polyvalent collection.

A transversal and functional design, for all kinds of environments and markets.

Tknika

TABLE & DESKING / DESIGN BY

*Francesco
Rifé*

Tknika is a system of lightweight and timeless desks that can be configured to suit all type of needs and spaces. Its functional and structural design delivers a versatile and scalable range offering endless possibilities when it comes to dimensions, and without too many legs.

Aski

TABLE / DESIGN BY

*Akaba
team*

This collection of Aski tables has a timeless appeal that makes it suitable for use in a wide range of domestic, public, educational or corporate settings thanks to its simplicity, durable construction and practical design.

The tables come in a range of sizes with a center column with three different height options, as well as two additional support bases that can be either round or square.
