# Guri

Ander Lizaso

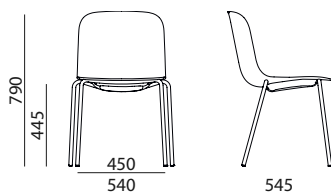

Guri is the result of an effort to achieve softness, both visually and ergonomically. A quest that has been taken to the limit in the design, depicted in a single stroke. Featuring an enveloping shell and a silhouette that houses sinuous shapes on the inside, as well as the relatively vertical lines of its wide backrest, refer to an all-time classic: the Pollock chair.

Guri is available in a wide variety of structures: wood, aluminum, stackable, swivel, with casters... And the shell is set forth in a range of warm and tertiary colors, fleeing from the stridency to stand within the world of the understated and the suggestive.

As subtle as a gesture, a glance, or a caress, the design of Guri makes for a discreet and cozy chair.

# Guri 4 Legs

Ander Lizaso

600x680x1170mm 4 units

Stackable chair without arms, with powder coated steel tubular base of Ø18mm.

Seat and backrest in one-piece polypropylene + fiberglass.

Unupholstered, upholstered seat only or fully upholstered. With polypropylene glides, felt glides at an additional cost.
